

TITLE

Arellano University College and SHS Networking Project

INTRODUCTION

Welcome to the Arellano University Pasig College and Senior High School, a place where academic excellence and cutting edge amenities converge. Our university takes pride in the diversity of its faculty, staff, and student body, which is organized into multiple faculties and course offerings. There are departments such as Admin, BSIT, BSCS, BSCRIM, BSED, BSBA, LAB, and IT-DEPT in college, and LAB 1 and LAB 2 in senior high school. Each employee and student at Arellano has access to a personal computer, and our cutting-edge labs make sure that students may easily use PCs for their academic endeavors. Investigate the meeting point of creativity and knowledge in a setting that supports excellence in a range of academic fields.
